Used Car Sales Are Done the Right Way With DriveTime!

If you've been shopping around for used cars sales, Arizona DriveTime has a wide selection of cars to choose from. DriveTime is a company that specializes in selling high quality used cars to people with less-than-perfect credit. Other dealerships may promise to sell you a car no matter what your credit score, but they don't always follow through. We're different than the other auto dealers, because we actually try to get people with poor credit into a great used car!

We know how tiring shopping in the market of Arizona used cars sales can be when you have poor credit, which is why DriveTime does 99% of their own financing. Why waste time at other dealerships just to get told that you don't approve, when you can visit an Arizona DriveTime location? Our financing is done at each of our store locations so you won't have to deal with a bank or lender to get your used car loan. When you finance your newly purchased vehicle, the loan will always stay with DriveTime, which means that the Go-to-Guys will be by your side every step of the way.
